Friday Feature Films

— by Linda Morris —

The Student Union Board will present "Absence of Malice" this Friday, February 10, at 7:00 and 9:15 p.m. in Marian Centre Lounge. This drama focuses on the influence of the printed media and its effects on the people it serves.

Sally Field portrays an investigative reporter who destroys the life of an innocent businessman, played by Paul Newman, with her careless reporting of the "facts". This entertaining film had Academy Award nominations for best actor, best supporting actress, and best screenplay.

"The Frisco Kid," starring Gene Wilder and Harrison Ford, will be presented on February 17 at 7:00 and 9:15 p.m. in Marian Centre Lounge. Wilder portrays a young Polish rabbi who is sent to America in 1850 to become the spiritual leader of a San Francisco congregation.

He sets off on his journey through the untamed west but along the way loses his food and most of his possessions. At this point, Wilder is befriended by a kind-hearted bank robber (Harrison Ford), and they travel to San Francisco together.

Along the way Harrison robs a bank, they encounter Indians on the warpath, and a monastery full of speechless monks. This hilarious comedy is a film you will not want to miss if you enjoy laughing and having a good time.

Following mid-semester break, "Ain't misbehavin'" will be presented on March 9 at 7:00 and 9:00 p.m. in Marian Centre Lounge. This film was the winner of three Tony Awards (including Best Musical), the New York Drama Critics Circle Award and the Drama Desk Award.

This film showcasing the swing music of the great Fats Waller, is headed by Nell Carter. She and the original Broadway cast perform 29 of Waller's songs, including "Honeysuckle Rose," "The Joint is Jumpin'" and "I Can't Give You Anything But Love."

This live-on-tape performance was recorded for television near the end of the shows five-year run and captures the excitement of the Broadway hit for audiences to enjoy for years to come.

Funded through the Student Union Board, these films are free to Avila Students, staff, faculty, their family, friends, and guests.

Residents' Rumble To build teamwork

There's going to be a rumble on campus. Not the ordinary gang rumble, but a fun, challenging rumble organized by the eight members of the housing staff.

Throughout the month of February residents of each hall will be competing in various activities obtaining points for their hall. The building accumulating the most points at the end of the month will be declared the winner and will be presented a trophy in recognition of their efforts.

On order to involve all students in some activity, the staff hes made available many different types of events. For those musically inclined students, Name That Tune is for them.

If academics is a forte, four faculty members have made a challenging intelligence test. points will be awarded to the floor who is judged as having the cleanest room.

Residence hall housekeepers will be the officials for this event. Points will also be awarded to the floor with the highest percentage of their floor members in attendance at the women's and men's basketball games February 16.

The halls will need everyone at that game since the half-time acitvities will include a tug-o-war between the halls. To test athletic ability the staff has designed a series of relay races including a variation on the traditional three legged race.

All points won by the individual floors will be added together to obtain the final totals for each hall.

Dates for each activity have been posted on wall calendars in the front foyers of each residence hall. Announcements of winners and how each hall is progressing will be made periodically in the Marian Centre Dining Room with the final announcement on February 22 at 5:15 p.m.

Celebrate life...

Consider letters in word *life*

Life is defined by Webster as, "a time of existence". For the Christian life takes on a different meaning. Jesus said, "I have come that you may have life and have it to the fullest."

If we consider the letters in the word "life" we arrive at a more complete and meaningful definition. A definition that speaks of the life Jesus promised Christians.

L...LITURGY...a coming together for worship
I...IN UNION...with others
F...FOOD...and nourishment
E...EUCHARIST...thenksgiving

Life is coming together for worship in union with others to receive and to give nourishment, to share, and to offer thanksgiving. LIFE is EUCHARIST.

The sense of God's presence is experienced through one another. Let us join in celebreting life. Join in celebrating Eucharist:

'Lente': Springtime of commitment

March 7, Ash Wednesday, merks th beginning of Lent and a new season of the church year. Mass will be celebrated at 12:00 noon in Foyle Hall Chapel. Ashes will be distributed immedlately following mess.

The word Lent is derived from the Middle English "Lente" which means "Springtime". Spring is a time of movement, action, growth or new beginnings and a bursting forth of life.

Reflection on and commemoration of the journey of Jesus calls us to face the challenge of Springtime: movement, action, growth, renewal and preparation for a new phase of our journey, a new commitment.

St. Paul said, "So we are embassadors for Christ, God making His appeal through us. We beseech you on behalf of Christ be reconciled to God." (2 Cor:5:20). In these words Paul speaks of the heart of Lent which is inner penitence and reconciliation with God. Penitential practices encourage inner change. Observing Lent helps us experience the full joy of Easter. Join in the celebration of daily Eucharist in Foyle Hall Chapel or attend a weekly reflection on the Way of the Cross to be held on Wednesday evenings at 8:15 in the chapel.

Norman Cousins will address 'New Dimensions in Healing'

— by Linde Morris —

Norman Cousins, author of seventeen books and recipient of the United Nations Peace Medal, will be the second speaker in The Distinguished Chair Lecture Series sponsored by the Avila College Department of Nursing and funded by the Hallmark Educational Foundation.

The author will speak on "New Dimensions in Healing" at 8:00 p.m. April 9 in Goppert Theatre. The lecture is open to Avila faculty, staff and students as well as general public on a first-come, first-served basis. To be assured of seating, please call the Development Office at 942-8400, Ext. 200 to reserve your tickets as soon as possible.

Cousins has been chairman of the Pulitzer Prize jury in literature and was named Author of the Year by the Society of Authors and Journalists in 1980. In addition, he was one of the founders of public television in the United States, serving as Chairman of NET, the organization preceeding the Corporation for Public Broadcasting.

Cousins is Adjunct Professor on the faculty of the Department of Psychiatry and Biobehavioral Sciences of the School of Medicine at the University of California, Los Angeles. He is also currently president of the World Federalists Association of the United States.

He was formerly editor for thirty five years of the *Saturday Review* magazine. In the past he has also carried out diplomatic missions abroad as personal emissary for Presidents Eisenhower, Kennedy, and Johnson.

Cousins is known as the man who "laughed his way to health" after he was diagnosed to have Collagen's disease. he reasoned that if depression, anxiety, and fear can cause biological disorders, then laughter can act as a healing device for those disorders already present in a human biological system.

Cousins also believes that hospitals need to re-examine their policies to make them more humanistic and responsive to individual needs.

Cousins has served as the Cockefair Chair at U.M.K.C. twice; however, this will be his first time in Kansas City in six years.

Anyone wishing to attend Cousins' April 9 lecture is urged to reserve tickets soon because there is limited seating available.

Avila Human Resources Centre Offers help for student needs

Living is the ultimate experience! It is an experience spun with optimism, curiosity, learning, loving, sharing, and growing. Sometimes though, as one moves through changes in life, one may temporarily lose balance and optimism and the ability to muster individual resources need some bolstering. During those rough times worries or frustrations may seem larger than the joy of life itself and one becomes in need of assurance. During these times an important idea to remember is that good mental health is not the absense of problems in life but rather the ability of an individual to rally his/her own resources and call upon others to share their resources. Concerns about jobs, success in studies, problems with friendships, and sexual problems are some of the common student concerns. Sharing these worries is the first step towards regaining optimism.

Friends are indispensible for moral support and often helpful by simply allowing one to state aloud feelings and thoughts; however on occassion, one may need to work with a trained counselor. A counselor can objectively help individuals search for a better awareness of self and options.

Many persons may believe that only individuals with extreme problems should seek help from counselors. That really isn't true. At Avila, the Human Resource Centre is geared to meet all kinds of counseling needs.

If worried about school, career or future, then Career Planning can be of service. It can aid in discovering where interests lie, identify strengths, weaknesses, and skills as life and career goals are set.

Through the Placement Services students may find part time or full time employment, or get help with a resume and interview techniques.

The Health Service is able to provide health care for minor illnesses and emergencies, as well as offer programs to make all aware of the need to care for oneself in such a way as to prevent illness.

The College Skills Center can be of help to students wanting to improve their study habits, vocabulary, reading comprehension, or test taking skills.

Each semester, special workshops are planned. This semester, workshops on assertiveness training, stress management and test anxiety are being offered.

Individual counseling is available to students by appointment or on a walk-in basis. Weekly appointments may be scheduled, or a need may be met through short term or occassional counseling. The important thing to remember is that the counseling will be directed towards helping clients make the discoveries that they need to make in order to take charge of their life.

The Human Resource Centre is located in the lower level of Blasco Hall. It is open from 8:00 em to 5:00 pm. For more information call 942-8400 Ext. 266.

Kansas City rivals meet in Mabee Fieldhouse

by Avila Sporta Intormatlon
January 18, 1984
MEN'S BASKETBALL

One of Kansas City's biggest basketball rivalries is renewed this Saturday night when the Rockhurst Hawks travel to Avila to play the Avalanche. Avila's current record is 7-9 with one game to play before Saturday night. Rockhurst enters the game with a 6-7 record.

The Avalanche recently won big games over Evangel and Missouri Valley on the road, as they downed Evangel 76-57 and Missouri Valley 72-57. Jerry French led the scoring for Avila against Evangel with 18 points against Missouri Valley followed by French with 17 points.

With their two victories and a near upset against Washburn the Avalanche climbed from the No. 13 spot to the No. 9 spot in the District 16 Dunkel rankings. In the coming weeks Avila will be working to improve their record and move up in the rankings to secure their 5th consecutive playoff berth.

Guard Tom Saunders and forward Jerry French lead the Avalanche into Saturday's game against Evangel. The pair lead the team in scoring with Saunders averaging 14.6 points a game and French with 13 points a game. French is second in rebounding with a 7.0 average.

The Evangel game kicks off a busy portion of the schedule with Avila playing games next week against Mid-America, Drury and Rockhurst. Avila will be looking to even the score with Rockhurst after the Hawk's won last Seturday's game 54-50.

Avila found themselves in another close game against Missouri Western. Western preveiled 72-67. In the first half both teems took the leed et various points but went into the locker room at halftime tied at 34-34. The Griffons broke out to a 52-47 lead five minutes into the second half. Avile refused to roll over though and staged a comeback in the closing moments of the game, narrowing the margin to 5 points.
